Massachusetts Early Intervention Consortium

Best Western Royal Plaza Hotel
Marlborough, Massachusetts

September 2009

Dear Friend of MEIC:

The Massachusetts Early Intervention Consortium (MEIC), together with Human Services Management Corporation (PERCS), is proud to announce our **31st Annual Early Intervention Conference**. We would like to invite you to help us provide services to over 40,000 children by **sponsoring or exhibiting** at this exciting event.

MEIC was formed in 1978 to serve as a statewide nonprofit educational and advocacy organization within the early intervention community. Children may be eligible for Early Intervention (EI) if they have developmental delay, identified disabilities, or if typical development is at risk. EI provides family-centered services that facilitate the developmental progress of eligible children by helping them to acquire the skills they will need to continue to grow.

MEIC's 31st Annual Conference will be held on April 13th and 14th, 2010 at the Best Western Royal Plaza Hotel in Marlborough, Massachusetts. Massachusetts Early Intervention Programs employ more than 3000 staff from a variety of disciplines including educators, speech-language pathologists, nurses, social workers, licensed mental health counselors, licensed marriage and family therapists, occupational therapists, psychologists and physical therapists. Over the past several years, attendance has continued to grow with over 600 participants last year!

Your participation will demonstrate your dedication to children, families, and the professionals who serve them. Commitments from organizations like yours allow us to continue offering this wonderful learning opportunity which promotes the highest quality of services to Massachusetts families. Furthermore, our attendees consistently report that the exhibits are among their favorite part of the conference.

As a sponsor or an exhibitor, your organization will receive the following:
